Outstanding Graduate Student Teaching Award
Awarded to CST graduate students who demonstrate excellence in teaching.
Andrew Van Kuren, Biology

College of Science and Technology
Student Advisor Award
This prize is awarded to a student advisor/ombudsperson who has demonstrated an outstanding record of scholastic achievement and service to students.
Lauren Castellana, Biochemistry

Debra and Stanley Lefkowitz Undergraduate Student Research Awards
Established in 2011 by Dr. Stanley A., CST ’65, and Mrs. Debbie K. Lefkowitz, to provide for research awards for undergraduate students in the College of Science and Technology.
Noah Goff, Biochemistry

John A. Poole Memorial Scholarship
Established in memory of John A. Poole, distinguished professor of chemistry from 1964 to 1999, this prize is awarded to an undergraduate student who has made exceptional service contributions to his or her department.
Jennifer Fleyshmakher, Biology

Jules J. Sheldon, D.D.S Endowed Scholarship
Established in 2010 by a bequest from Jules J. Sheldon, CST ’43, DEN ’47, to provide scholarships for students enrolled in the College of Science and Technology.
Coma Nasrin, Biology
John Nguyen, Biology

Louis Stokes Alliance for Minority Participation (AMP) Award for Academic or Research Achievement
Awarded to a student who has demonstrated academic or research excellence within the Alliance for Minority Participation program.
Ryan Smolin, Biology
Lee and Andrew Taylor, Biology

Otto Kurschner Memorial Award
Awarded in memory of Otto Kurschner, A.B. 1914, Temple University, to a member of the graduating class concentrating in biology, biochemistry, geology, or physics who has attained the highest scholastic average.
Siven Chinniah, Neuroscience: Cellular and Molecular

Robert A. Figlin Family Research Award
For outstanding juniors and seniors majoring in chemistry, physics, math or computer and information sciences.
Jaylene Everett, Biology
Ethan Kimmett, Biochemistry
Laura Rodrigues, Neuroscience: Cellular and Molecular
Amulya Surakanti, Biochemistry
Thi Tran, Biology and Chemistry
Haley Wissler, Biology

The Chachkin-Kean Fund for Undergraduate Research
The fund provides financial support for students participating in CST’s Undergraduate Research Program, assisting with the research of a faculty member in the student’s major field of study.
Brett Kline, Biology

Undergraduate Research Symposium Award
Established in 2010 to acknowledge the best posters of undergraduate students who participated in the research symposium as part of the Undergraduate Research Program.
First Place
Samantha Shallop, Biology/Neuroscience: Cellular and Molecular
Second Place
Brooke Quinn, Biology
Third Place
Sophia Adler, Biochemistry
Andrea Broad Scholarship in Biological Sciences
Established in 2000 by William E.S. Browning in 2000, in honor of Andrea Broad, CLA ’73, LAW ’79, the Broad Scholarship is awarded to an outstanding undergraduate student majoring in the biological sciences.
Michelle Minkanic, Biology

Barak Artzy Memorial Award
Established in 1976 by Helene H. Stolker, in memory of Barak Artzy, the Artzy Award is presented to a member of the graduating class who has been an outstanding student in biochemistry, biology, or chemistry in the pre-medical program.
Austin Miller, Biochemistry

Charles Hodge IV Prize in Biology
Established in 1985 by Dr. Ruth Patrick in memory of her husband, Dr. Charles Hodge IV, a member of the Department of Biology, this prize is awarded to a graduating senior in the Biology Department who has been distinguished in the areas of research and scholarly achievements.
Jessica Chin, Biology
Jennifer Fleyshmakher, Biology
Brett Kline, Biology
Matthew Pickett, Neuroscience: Cellular and Molecular
Madeline Williams, Biology

Dr. Lorraine H. Kligman Endowed Scholarship
Established in 1998 by Dr. Kligman, CST ’66, CLA ’74, to provide scholarships for non-traditional sophomore biology students who have demonstrated academic achievement, with preference given to students who are single parents.
Peter Nguyen, Biology

Dr. Nina W. Hillman Award
Established in 2012 Dr. Ralph Hillman in memory of Laura H. Carnell Professor of Biology Nina W. Hillman, the award is given to a graduating senior in biology who has shown excellence in both the classroom and in research in developmental biology or genetics.
Christopher Cassella, Neuroscience: Cellular and Molecular

James A. Harrison Memorial Award
Established in 1975 by Henry Harrison in memory of Dr. Harrison, a member of the department of biology faculty for 35 years, the award is presented to an outstanding senior biology major on the basis of scholarship, research accomplishment and extra-curricular activities in the department. The recipient is determined by the Department of Biology.
Michelle Minkanic, Biology

Mark Berger Memorial Scholarship
Established in 1990 by Michael R. Berman, CST ’66, in memory of his classmate Mark Berger, to provide scholarships to biology students who have demonstrated academic achievement.
Mishleen Bashour, Neuroscience: Cellular and Molecular

Paul G. Curcillo II, MD Biology Award
Established in 2008 by Paul G. Curcillo II, MD, CST ’84, to provide annual awards to seniors majoring in biology with demonstrated excellent academic performance.
Katherine Dempsey, Biology

Sol and Elise Deglin Memorial Award
Established in 1977 by Beatrice Deglin Leder, EDU ’42, and others in honor of her brother, Sol Deglin, EDU ’38, the Deglin Award is presented to outstanding graduating biology students who are interested in teaching careers.
Amanda Nguy, Neuroscience: Cellular and Molecular

Alexander von Humboldt Science Education Award
This award is given to a TTeach student who has inspired others to learn science. The award is made in honor of Alexander von Humboldt (1769-1859), who created the way we understand nature today. He developed the idea up that nature was a web of life and described Earth as a living organism.
Herby Jean-Baptiste, Biology with Teaching
